

STOP MOTION ANIMATION GROUP PROJECT

Fall 2019
Digital Media 2

PROJECT DESCRIPTION:

-As a group and on a piece of notebook paper, brainstorm and choose a overall topic/theme for your 1 minute Stop Motion Animation Project

-Write a Short Script of your Stop Motion Animation on the same Brainstorming Sheet (GRADE #1)

-Plan & Gather your needed materials for your scenes/photos

-Download the “Stop Motion Studio [Free Version] App onto your phones

-Take photos through the “Stop Motion Studio” App for your animation

-Locate and save appropriate music and sound effect files on your computer to be added to your finished project

-Compile all three of these components using Adobe Premiere into your Final Stop Motion Animation Project

1) Images 2) Music & Sound Effects 3) Text (Opening & Closing Title)

-Export finished movie project from Adobe Premiere as a .MP4 (Use the .H264 Codec when you go to File>Export)
(GRADE #2)

STOP MOTION ANIMATION PROJECT RUBRIC:

- Images (Set Duration, Never Sitting on 1 Image for Too Long, No Using Ken Burns Effect)
- Music/Sound Effects (3x Minimum)
- Text (Use Opening & Closing Titles)
- Length (Minimum: 1 Minute/Max:1 Minute & 30 Seconds)
- Camera (No Movement/Shakycam, Good Staging of Items/Materials)
